Hello, I'm Shefin

My name is Shefin C.S. I'm a web developer & designer living and breathing in Kerala, India. Web design & development is not just a job but a passion, which makes it hard to leave the computer sometimes. But I do like other stuff! I love to meet new people, laugh, be social, travel, taking pictures, listen to great music, watch classic movies and so much more.

I have 12+ years Experience in Web development and Worked with several clients on various projects from websites to web applications, UX and UI designs for native applications, Infographics and other graphic designs. Had worked with clients from the Middle-East, Australia and domestic.
